

Pay it Forward

Alliance Investors Helping Organizations

Support the businesses and organizations you value today to help ensure they are strengthened for tomorrow. Through the PAY IT FORWARD initiative, Ames Alliance Investors can help fellow members—especially non-profit organizations facing budget challenges—remain connected, supported, and engaged during uncertain economic times.

By becoming a PAY IT FORWARD supporter, you will:

- Ensure fellow Investors have access to vital information and resources
- Help maintain opportunities for members to build relationships and grow their organizations
- Strengthen the Alliance's ability to advocate for all members, regardless of size or status

PAY IT FORWARD supporters receive:

- Digital recognition as a Member Investor supporter
- A dedicated social media spotlight

How to participate:

- A pledge of \$250 provides membership support for a selected non-profit organization
- Investors can customize their support by contacting Ronnie@amesalliance.com

Together, we can uplift our non-profit organizations, foster stronger connections, and ensure the Ames Alliance continues to thrive as a community of businesses serving businesses.
