

AREA INTERNS

Summer Series for Interns

"Through this program, I also gained a deeper understanding of the Ames community—its goals, values, and the desire to see everyone succeed. I'm inspired by the community's commitment to inclusivity and growth."
Alexandra Kinney
2025 Intern

AMES REGIONAL ECONOMIC
Alliance 

A SUMMER SERIES
FOR INTERNS
& COLLEGE
STUDENTS

The AREA Intern Program hosted by the Ames Regional Economic Alliance is designed to help interns and college students connect with local business leaders while exploring the opportunities the Ames region has to offer. By immersing interns and college students in a variety of professional development experiences, we hope to inspire them to consider staying in the AREA as they begin their careers. Thanks to our Workforce Sponsors, events are free to attend, but registration is required. This program was previously known as "See Yourself In Ames."
